VALUED BENEFITS

Time and Attendance

The screenshot displays the software interface for time and attendance tracking. The top window shows a 'Time Card' grid with columns for Day, Date, Hours, Comments, Excused, Reason, In 1, Out 1, In 2, and Out 2. The data shows a week of attendance for an employee, with various punch times and excused hours.

The bottom window shows a 'Time Card Report' for the employee 'Badger, Brian' for the month of September 1997. The report includes a table with columns for Date, Start, Stop, and various time-related fields. The total hours for the employee are listed as 47.60.
